

READY WRITING

Ready Writing Concepts

Develop Your Individual Writing Skills

Ready Writing challenges contestants in ways other competitions do not. While most others include predetermined topics, extensive materials, reading lists, or study guides, Reading Writing requires contestants to utilize a toolbox contained entirely in their minds. In addition, the contents of this toolbox are unique compared to those one would pack for a standard essay-writing scenario. **Ready Writing Concepts** explores expository writing with students, instructing them in the art and skill of constructing strong essays. Sections address thesis support, tone, voice, style, word choice, and structure, pitfalls to avoid, as well as samples of strong and weak essays, plus practice exercises. ✂️

Ready Writing Practice Packet

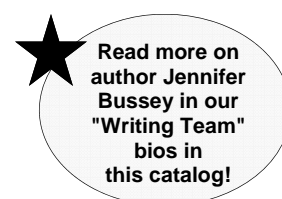

Real Tests for Real Practice

Ready Writing Practice Packets give students the opportunity to mold essays through creative and structured thought based on the principles of expository writing for the UIL Ready Writing contest. Each packet includes approximately ten tests with two sample topics; each includes judging rubric. Written by a nationally published, independent author, Hexco's **Ready Writing Practice Packets** take UIL contestants to a new and challenging level. 🕒

SOCIAL STUDIES

Social Studies Notes

A Review and Summary of UIL's Annual Topic

Social Studies Notes reviews and summarizes the study material selected by UIL. This book outlines and encapsulates the information and concepts related to this year's topic. It also includes synopses of events and politics of the era, plus a comprehensive timeline that spans the period. It has a lengthy collection of people, places, and events with descriptions for each. This is the 8th edition of our didactic publication for honing skills in analyzing the document selections and context of the period covered by the UIL contest. Team version consists of a set of five. 📁 A

SPELLING & VOCABULARY

Spelling Complement

All the Words in "Word Power" and More!

UIL Spelling Complements for 9th-12th grades present all words in *Word Power*, replete with definitions, parts of speech, pronunciations, and carefully crafted sentences to help increase understanding of the words. Those words marked for vocabulary study also have etymology. The **Complements** are available in either alphabetical or difficulty sequencing. (Note: **Complements** are also available for 3rd through 8th grade. Call or see website for details.) "Team" designates a set of five.

Spelling Rules Book

Rely Less on Memorization!

Spelling Rules Book is entitled "**Why Isn't 'Phonetic' Spelled the Way it Sounds?**" This is a *sine qua non* for competitive spellers. Our 150-page compilation expounds on spelling rules and conventions to promote less reliance on rote memorization and more on understanding language. Students learn when to use *-ible* rather than *-able*, for example, and they will never look at the *i-before-e* rule the same way again! This book explains rules for spelling words from foreign languages which are included in our dictionaries. An encyclopedic list of Greek and Latin roots with definitions and words derived from each is included.

WE ARE ON CALL! - To field any UIL questions that might arise, Hexco Academic is on-call during almost all Practice Meets in which Hexco Invitational Tests are being used, and for Regional and State meets where our Computer Applications tests are administered.

UIL Spelling Mentor

Software to Master the Entire "Word Power" List

UIL Spelling Mentor software helps ALL your spellers learn ALL the words in the UIL study list! Not designed just to test students, **Mentor** is an interactive tool to keep students engaged in mastering the entire *Word Power* list. Words are presented in difficulty sequence matching the difficulty sequenced **Complements**. **Mentor** works with students in an encouraging manner as a proficient coach would. Students hear the word spoken as the screen displays the phonetic pronunciation(s), definition(s), part(s) of speech, and sentence. Progress is tracked for up to 20 students, which allows individuals to narrow their study as they master words. Software may be installed on multiple computers at one location. Features include the ability to preview words, request next letter, and flag problematic words. Vocabulary words may be isolated to study separately, and all have etymology. A one-year extended-usage license for installing on up to five students' home or personal computers is also available.

LITERARY CRITICISM

LitCrit Concepts

The New LitCrit "Roadmap"!

LitCrit Concepts by author Jennifer Bussey makes getting the "big picture" a breeze with easy-to-understand lists, tables, and charts. Guides to Harmon's and Holman's *Handbook*, Vols. 1 & 2 distinguish material as Basic or Beyond Basic. **Volume 1 - Literary History** gives context with-at-a-glance overviews of periods, major writers in each genre, and other events within each period. **Volume 2 - Literary Terms** is organized by genre, with chapters on Poetry, Fiction, Non-Fiction, Drama, and more! This volume also contains "pop" quizzes and practice sheets where applicable. **Volume 3 - Essay Skills** makes "sizing up" selections less daunting, and can help turn shaky writers into concise, creative ones. This volume helps students understand what judges are expecting and includes how-to's for pulling an essay together from beginning to end. Set of three consists of one book in each subject. INVITATIONALS

If your school selects dates other than the Hexco dates listed below, you assume the risk of shared test content from a previous invitational meet. Hexco encourages fairness by asking all customers to plan early and host invitational meets on the same day statewide.

TEST SCHEDULE - Unique tests are available for the following dates. Please specify your invitational date(s).

Fall 2010

- ___ October 9
- ___ October 23
- ___ November 6
- ___ November 20
- ___ December 4
- ___ December 11

Spring 2011

- ___ January 15
- ___ January 22
- ___ January 29
- ___ February 12
- ___ February 26
- ___ March 5

If holding invitationals on more than one date, please print corresponding dates next to each item. If ordering for one test date only, simply place an "X" near requested tests.
