

How to Sign-Up and Study for the National History Bee

1. Sign up at https://www.aceqb.com/create-sponsor?redir_url=/historybee/register and scroll down to find the logo for the History Bee. Whether you are signing up as a school or individual, this is the first step!

The screenshot shows a registration form on a yellow background. The title is "Register to be a Sponsor!". In the top right corner is the "NATIONAL HISTORY BEE" logo. Below the title, there is a link: "Already have an account? [Login here.](#)". The form contains five input fields: "First name:", "Last name:", "Email:", "Password:", and "Confirm password:". At the bottom of the form is a grey "SUBMIT" button.

2. After you have created a sponsor account, you can **pay with a credit card for either \$10 for a student or \$150 for a school.** **Exceptions:** Home schooled students can have the payment waived by using this [form](#).

The screenshot shows the "NHB Registration" form. At the top, it says "The deadline to register for the 2017-2018 National History Bee is January 8, 2018." The form has several input fields: "Phone number:", "Address:", "City:", "State:" (with "Alaska" selected in a dropdown), "Zip code:", "School:", "Registration type:" (with a dropdown menu showing "School Registration (all students) - \$150", "School Registration (all students) - \$150", and "Individual Registration (1 student) - \$10"), "Promotional code:", "Pay now with card:" (with a checked checkbox), "Credit card #:", "Exp month:", "Exp year:", "CVC:", and "Billing zipcode:". At the bottom of the form is a grey "SUBMIT" button.

3. **Familiarize yourself with the [rules](#) then begin preparing!** Download the two Official [Study Guides for U.S.](#) and [World History](#). Remember, these are only a *guideline* for your studies, and the History Bee may or may not use the terms and content in the Study Guides. The guides were created to give students an overview of periods and important people, so students and teachers can begin to develop their own study program based on weaknesses and strengths. Don't forget to check your email periodically for follow-up information from the NHB or use this [contact form](#) if you have any questions.

4. Order the [History Essentials](#) book for additional terms to study! A portion of the sale of this book goes to the National History Bee. [Bulk discounts](#) are available for schools who order. Hexco Academic accepts both credit cards and purchase orders.

Schools or sponsors needing an official quote with shipping: Please fill out this [Excel form](#) and email completed form with all info *except* shipping to orders@hexco.com. We will add the shipping and return the form by email so you will have an exact quote for your P.O. You can download Hexco's [Sole Source and W-9](#) info here.
